

UGG® KID'S SHOE FIT GUIDE

1. Print this measuring guide on a sheet of 8.5" x 11" US letter paper. Print the guide at 100% (uncheck "Page Scaling" on your print settings).

2. Have the child stand on this paper with their heel against the HEEL line. Have them put their weight on the foot and relax their toes for an accurate measurement.
3. Draw a line to mark the end of the longest toe. If the child is between sizes, round up.

4. Repeat the process with the other foot. You may want to select a slightly larger size to allow for growing feet.
